

JOIN OUR FEMALE CRICKET TEAM

Recruiting now for 20/21 Season

Have you ever wanted to play a team sport? In an all inclusive, fun and welcoming environment? Look no further. The Aberfeldie Cricket Club fielded our first ever female cricket sides last season - and we had an absolute blast. You don't need to know how to play cricket - we take beginners to experienced players and have multiple teams that play across different divisions. It is a fun way to meet new people and try a new sport.

We have an amazing team of people who support female cricket - and we are excited to see more females take the field this coming season.

Register your interest with our Team Manager Cameron West today via phone or email! Feel free to send through any questions as well!
